Market outlook

Stock market: The market increased to 1,225 and struggled here before closing at 1,224.05 points, up nearly 11 points compared to yesterday. Market breadth tilted to the positive side with 16/18 sectors increasing, of which the strongest increase belonged to the Chemical industry, followed by Industrial Goods & Services, Construction and Materials,... About transactions of foreign investors, today this group continued to be net buyers on both HSX and HNX. The market has surpassed the SMA20 threshold, which is a good sign but liquidity is still weak. In the coming trading sessions after the holiday, it is expected that the cash flow returning to the market will be more positive.

Future contracts: Futures contracts increased according to the movement of VN30. It is recommended that investors trade cautiously in the coming sessions.

Covered warrants: In the trading session on August 31, 2023, warrants fluctuated according to the increasing momentum of the underlying stock.
